

August 2017

Ladies and Gentlemen,

You can help children fly! **Circus Harmony** is St. Louis' only social circus school. We use the teaching and performing of circus arts to help people defy gravity, soar with confidence, and leap over social barriers, all at the same time.

Sometimes, defying gravity takes a little fuel: over 80% of our students receive assistance from our **Flying Children Scholarship Fund**. We are hosting our 5th Annual Juggling Ball, a fantastically fun fundraiser on Saturday, November 18th from 7 to 10 PM at the City Museum. The fundraiser will include a **Silent Auction**—and that's where you come in!

We are looking for all sorts of wonderful items on which our fundraiser attendees might like to bid. That could mean...

- Food, drinks, or sweets that can be arranged neatly in a basket
- Vouchers for services offered, such as cooking a meal, teaching a skill, or watching children
- Memberships to fitness or community centers
- Gift certificates to boutiques, restaurants, spas, bakeries, or your place of business
- Tickets or passes to sporting events, movie theatres, concerts, theatrical productions, museums, active pastimes such as rock climbing and yoga, or St. Louis attractions, airline tickets

If you are interested in contributing to the auction, please email your name, address, and phone number, along with a brief description of your item including its source and approximate cash value, to [manager@circusharmony.org](mailto:manager@circusharmony.org). You may drop items off at the City Museum, or we can pick them up at a location convenient to you. Remember, your contribution is tax-deductible! We would be delighted to send you a donation acknowledgement letter upon your request.

We would like to have all auction items confirmed **by Tuesday, October 31st**, but your earlier response is greatly appreciated. If you have any questions, please feel free to call 314-436-7676 or to email [manager@circusharmony.org](mailto:manager@circusharmony.org). Thank you!

Circusfully,

The Circus Harmony Team
